## Childminder Pre-Registration Course

### Course Description

This practical course will support delegates to understand and implement the Early Years Foundation Stage (EYFS) and to register their role as a Childminder with Ofsted.

### What will I learn?

We will explore:

- Learning and development – the seven areas of learning and development and educational programmes;
- Assessment – when and how practitioners must assess children’s achievements and how they can discuss this with parents;
- Safeguarding and welfare requirements – to help providers create high quality settings that are welcoming, safe and stimulating; and
- Ofsted registration – what is needed to register to become a Childminder.

Delivered by: **Bolton Start Well Service  
Quality & Outcomes Team**
