What will I learn?

- Explore knowledge and understanding of typical learning and development of children
- Consider how we can identify children below or at risk of delay and so improve early identification
- How to ensure that the indoor and outdoor environments are used to progress learning and development
- How to make accurate and effective observation and assessments to support planning
- How to use Bolton's Every Child Journey guidance material and resources to support quality home learning experiences.

You can purchase any three copies of the high quality resources, the Mark Making to Writing Journey, the Number Journey and the Early Communication and Language Journey, for £30 which provide a framework for development and an ongoing reference tool. You can purchase additional copies at £10 each.
