

Gain your EYTS with the Bright Futures SCITT

Fully-funded by the DFE

Bright Futures SCITT has an excellent reputation for delivering high-quality Early Years Teacher Training. In 2024, Ofsted said:

“Leaders have carefully designed an ambitious curriculum for the early years training programme and work closely with a regional hub of expertise in early years. Trainees become well prepared for their careers as early years teachers, and are exposed to up-to-date practice, thinking and research”.

If you or your colleagues in your early years setting are ready to begin their journey to gaining Early Years Teaching Status, we would love to hear from you!

TRAINEE ELIGIBILITY

To qualify for this course, trainees must:

- Be employed in an EY setting
- Have a level 6 Bachelors degree (any subject)
- Have GCSEs (or equivalencies) at grade 4/C in English language, maths and a science

EYTS COURSE

- Tuition fees paid for by the DFE
- £7000 employer incentive for the trainee's employer
- 16 days of training in Altrincham from a variety of EY experts
- Start date: September 2026 – July 2027
- Membership of the Bright Futures Early Years Stronger Practice Hub
