## Talk with Tales for Children (TWiTCH) book sharing programme

The TWiTCH programme is a free CPD opportunity for practitioners in Early Years settings to support children's language and communication skills through book sharing.

- Settings who take part will receive **ongoing specialist support** from our expert **coaches** and **compensation of up to £1,000** for taking part
- Start date **September 2026 - July 2027**
- TWiTCH supports **communication and enjoyment of books**. It helps children **grow in confidence** and **supports GLD**. It uses **specially designed resources** and fits into existing **storytime routines**.

“Staff support children's early language development through fostering a love of books. They take every opportunity to extend language, introducing new words and engaging children in meaningful conversations.”
