

Have Your Say on the... GM Early Years Mental Health Hub (2–5s Project)

The GM Early Years Mental Health Hub (2–5s Project) is a two-year test-and-learn programme hosted by Stockport Family on behalf of GMCA.

We'd like to hear from professionals to understand what is needed to support the mental health of 2-5 year olds in GM

How You Can Help:

- Complete the survey, then promote and share this with your networks.
- Help us reach a diverse range of families with our Parents' Survey supporting 'seldom heard from' families to have their say.
- Invite the team to relevant groups and events where we can connect with families and practitioners.

Meet the Team:

Emma Arnold – Strategic and Clinical Lead (Consultant Clinical Psychologist)

Rosie Franklin – Senior Mental Health Practitioner (Social Worker & Play Therapist)

Sara Atherton – Assistant Practitioner (Early Years Teacher & Family Support)
