# The Number Journey

## Description

This practical 2-hour course is designed to support Early Years Practitioners to use Bolton's Number Journey Guidance to improve outcomes in maths development. It will help you to support children to develop a firm foundation in early mathematical skills, knowledge and understanding.

This course will help you to improve teaching and learning of numbers in your EYFS, to ultimately improve mathematics outcomes.

## What will I learn?

During this course we will:

- Unpick the number sense concepts and the way they link to improve teaching;
- Provide practical, affordable ideas to enhance your number opportunities within continuous provision indoors and outdoors;
- Share ideas and suggestions to help you meet expectations of Ofsted that parents are involved in their children's learning; and
- Combine underpinning theory with practical ideas and opportunities for discussion.

**Delivered by: Bolton Start Well, Quality and Outcomes Team**

## Who is this workshop for?

All Practitioners working with children aged 6 months to 6 years and their families.
