

EYFS Essentials: Curriculum intent, implementation and impact in the EYFS

Critical evaluation of your EYFS 'curriculum' in the light of the revised Ofsted framework

Date: Thursday 28th November 2019

Time: 1:30pm – 3:30pm

Venue: BSTC

“The curriculum (or, to use EYFS terminology, the educational programmes) that children experience in their early years is vital. We know that young children are especially receptive between birth and age 5, when their brains develop at the fastest speed and they learn more rapidly than at any other age.

*This means that **the choices we make for very young children are all hugely important.**”*

Amanda Spielman, 2019

Price: £56 per delegate
