Description

This workshop will support those SENCOs who have accessed the four-day training and would value an opportunity to refresh their knowledge and understanding. It is also suitable for Childminders who require SENCO training.

What will I learn?

Practitioners who attend this course will:

- Refresh their understanding of the requirements of the Code of Practice for children with Special Educational Needs and/or disabilities in Early Years;
- Have a better understanding of Bolton pathways for SEND and how to work with targeted support services;
- Be able to adequately identify, assess and plan for children with SEN and feel confident working with parents in this area; and
- Have a better understanding of when to be concerned about children's development and how to work with outside agencies.

Please note: In order to take part in the activity, it is **essential** that practitioners bring along their copy of the Bolton SENCO Handbook.
