## A Focus on Early Reading in line with Updated Ofsted Expectations

### How will this workshop help?

This workshop will consider how the Early Years Foundation Stage (EYFS) can support a high impact and well-rounded reading curriculum which excites and engages children to find joy in vocabulary, books, rhymes, poems, songs and phonics through high quality environments, enhanced provision, high quality interactions and focused playful experiential learning experiences. During the session, we will also explore effective ways in which we can engage with parents about their child's progress in relation to the EYFS and how to help parents to support and extend their child's learning at home, including how to encourage a love of reading.

As a result of attending this workshop, you will have:

- A clear and firm **intent** for reading in the EYFS;
- An achievable and stepped **implementation** for reading in the EYFS; and
- A HIGH **impact** reading curriculum for all.
