# Early Years SEND Workshop: Assessing Progress for Children with SEND

## Description

This workshop provides a brief overview of the ways in which practitioners can observe, capture and monitor progress made by children who are not making expected progress through the age bands within the Early Years Foundation Stage (EYFS).

## What will I learn?

This workshop is designed as an hour long session focusing on the tools that can be used to identify and capture small steps in children's progress. The workshop uses interactive teaching methods, practical activities and group discussion to engage learners.

By the end of this course, you will have:

- Explored assessment for children with SEND.
- Further developed an understanding of the Early Support Developmental Journal and the links with EYFS.

**Delivered by: Bolton Start Well Service – Early Years SEND Team**

## Who is this workshop for?

This workshop is aimed at practitioners working with children aged 2-5 years and their families. It is suitable for Managers, EYFS Leads, SENCos, Room Leaders and all Early Years Practitioners.
