EYFS Profile Moderation Meeting

Description

Bolton Start Well offer moderation meetings to support statutory EYFS Profile assessment processes. If schools have more than one reception teacher (multi form entry / job share) they all may attend a moderation meeting.

Teachers will work in small groups with a moderator to facilitate focused discussion.

Teachers will contribute an overview of 3 children's characteristics of effective learning and their achievements relating to the scale points for communication and language and mathematics for discussion.

A brief written summary of the outcomes of the meeting will be sent to school.

What will I learn?

This meeting will:

- Secure consistent, accurate judgements;
- Reassure practitioners that judgements are accurate, valid and consistent with national standards; and
- Make reference to the 'Standards and Testing Agency 2020 Handbook' and national exemplification, so that staff are confident to use them.
