Childminder Good Practice Network

Description

In the summer term, we will be piloting a change to our Start Well EYFS Offer for Childminders, as a result of consultation with Childminding colleagues, through an on-line survey and discussion at current Childminder Led Sessions in Start Well Children's Centres.

These Stay and Play sessions will replace the Childminder Led Sessions that have been delivered in Start Well Children's Centres.

The new offer will be a half-termly opportunity to access a Good Practice Network through Stay and Play at one of three venues, initially, across the borough. The area of focus for the sessions in April and May will be Funky Phonics and in June the focus will be The Number Journey.

Key features of the session

The sessions will be facilitated by Start Well and Childminding colleagues and will feature;

- A planned stay and play session that you can access with your children.
- Focused planned activities that support you with key aspects of learning and development.
- Input from a childminding colleague judged to be Good or better by Ofsted.
- Opportunities to network and share good practice through practical experiences.
- Support in developing good practice from peers and the Start Well Team.
