

Hello everyone!

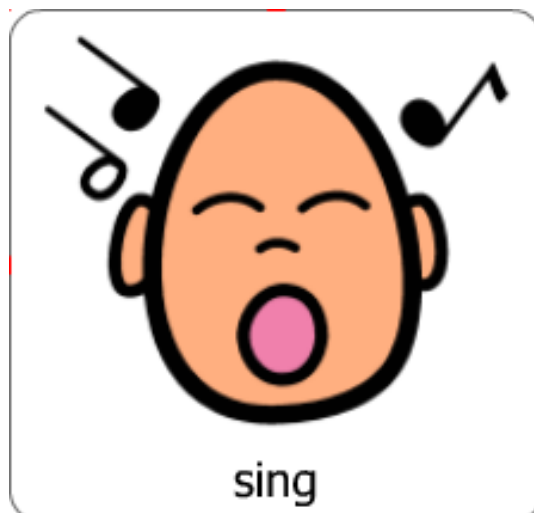

My name is Paula and I have created this music session for you to enjoy with your child at home.

I have included [symbols/pictures](#) that could be used alongside this guide to help develop your child's learning and enjoyment. Please encourage your child, whenever possible, to make their own song choices.

Please feel free to email me (Paula Quinn), if you have any other favourites that you would like me to add quinnp@theorchards.bolton.sch.uk.

Enjoy and have lots of fun!

Before you start this activity, try showing your child this next symbol, so that they might begin to recognise the activity and get to know what to expect the next time you show it them, or the time after that.

The picture resources below can be printed and used to offer to your child as music options. If you don't have access to a printer, you could use items around the home, such as stuffed toys or plastic bath ducks or alternatively, you could draw and decorate your own resources. Be inventive!

Remember to allow your child to make their own song choice by watching for eye pointing, pointing or vocalisations.
