What will I learn?

The workshop is designed as a 120 minute session focusing on effective strategies to identify and support children with social, communication and interaction needs. It will consider how you can reflect on the environment within your setting to best support children's learning.

By the end of this course, you will:

- Be able to recognise a child with social, communication and interaction needs;
- Know who to contact for advice and support; and
- Learn some strategies to use in your setting.
